
End User License Agreement

TERMS AND CONDITIONS

The Copyright Holder's music and sound effects (the "Music and Sound Effects") are provided to you with a worldwide non-transferable license ("License") for synchronization rights only. By accepting any Music and Sound Effects, you acknowledge and agree to the stated terms, conditions and limitations of use. In the event of a breach of this License agreement, action may be taken against you directly by the owner of the copyright.

The Music and Sound Effects must be licensed directly from the Copyright Holder. Unauthorized resale or redistribution of the Music and Sound Effects is prohibited.

RIGHTS GRANTED

You have the right to synchronize the Music and Sound Effects with audio and/or visual productions or applications such as: film, video, DVD & TV productions • training, marketing & trade show presentations • corporate videos & educational applications • on hold messages & advertising • radio presentations & commercials • television programs & commercials • live performances • speech & audio book products • Web pages & multimedia presentations • PowerPoint & Flash productions • interactive programs & computer games • AV & computer generated displays • podcasts (all such applications hereinafter referred to as "the Production").

You may synchronize the Music and Sound Effects, create copies of your the Production and distribute the Production according to the terms and conditions provided by the Copyright Holder. The rights and limitations to the Music and Sound Effects as outlined in this License agreement are in effect for the life of the Production and pass automatically to the End User of the Production. Please note however, that all rights not expressly granted within this License agreement are reserved.

LIMITATIONS

Copyright infringement is a serious offence. The Copyright Holder protects its copyright by all necessary means, including legal action. You are **NOT** authorized to:

- Make copies of any unsynchronized Music and Sound Effects, in any format. This License has the sole purpose of granting you the rights to specific audio and/or visual synchronization of the Music and Sound Effects. The registered user is granted a single user license, meaning that only the registered user can use Music and Sound Effects. This License is not transferable.
- Copy, duplicate, provide access to, sell, lease, loan or give away unsynchronized Music and Sound Effects by any means including the World Wide Web, streaming audio or any delivery method now known or which shall become known.
- Transfer, re-record, copy or duplicate any Music and Sound Effects, in whole or in part, for any purpose not authorized under the terms of this License agreement. You may not transfer the Music and Sound Effects electronically or via any peer to peer file sharing program, FTP site, service bureau operation, DRS, computer network or in any way not expressly allowed by the Copyright Holder.
- Provide remote access to unsynchronized Music and Sound Effects to any user except the registered user.
- Provide the Music and Sound Effects in whole or in part as mobile telecom audio content such as ring tones, ringback tones, soundscapes, multimedia messaging services (MMS), voice messaging, audio enhancements, greeting mail services, or other content applications now known or which shall become known.
- Provide the Music and Sound Effects in whole or in part within other mobile communications or entertainment applications, such as iTunes Apps, or as unsynchronized content offered in software packages.
- Provide the Music and Sound Effects in whole or in part within retail toys, electronic sampling products or program chips.
- Sell or otherwise dispose of computers, hard drives or discs or any other electronic storage media which contain the Music and Sound Effects, unless all the Music and Sound Effects have been deleted. All Music and Sound Effects maintained on any computers, hard drives, discs or any other electronic storage media must be deleted before the disposal, transfer or sale of any computer, hard drive or disc that contains Music and Sound Effects.
- Change or alter in any way any Music and Sound Effects owned or represented by the Copyright Holder (for example, by adding instruments or lyrics).

PERFORMING RIGHTS

Performing rights represent the entitlement of music composers and publishers to benefit from the public performance of their compositions. Performing rights societies like ASCAP and BMI in the United States and SOCAN in Canada, as well as many more around the world, have been established to collect and fairly distribute performing rights revenues to music composers and publishers. If you use the Music in a television show, a feature film or a documentary production, please file a cue sheet with your local performing rights society, as a courtesy. You will not be required to pay any additional fees or costs when you file a cue sheet.

WARRANTY

The Copyright Holder warrants that your use of the Music and Sound Effects in accordance with this License agreement does not infringe on any third party proprietary rights.

LIABILITY

The Copyright Holder accepts no responsibility for any loss of business or business profits resulting directly or indirectly from the performance of any Music and Sound Effects. The Copyright Holder's liability is limited and restricted solely to replacement at no charge of the Music and Sound Effects in question.
